

Neon Flashes Reveal Clues in UKTV's Main Titles for 'We Hunt Together'

05.27.2020

Up-and-coming photographer Eugene Tumusiime captured London at night in neon in these main titles for UKTV's six-episode limited series, *We Hunt Together*.

Besides lighting up London's seedy underbelly, the sequence also includes quick flashes of four predators, intended to represent the show's four main characters. The show features two pairings as two detectives hunt down two killers, while they, in turn, hunt their victims. The series stars Eve Myles, Babou Ceesay, Hermione Corfield and Dipo Ola.

The spot is set to a track titled "Paradise" by the band She Drew the Gun.

We Hunt Together premieres Wednesday, May 27 at 10 pm BST on UKTV's crime and drama channel, Alibi.
